Hi Gretchen – thanks for your email. We're okay with Clarks Creek, but actually, if you can look at the responses just to make sure they look okay, that would be great! Can you see below for Ryan's question on the Midcoast? I recalled you were done with the letter, but not sure.

I need to call Gretchen and ask her about the status of the letter. Currently I'm not including anything explicitly from it.

I recommend that Alan or you be prepared to address questions about the status of the review of the comments on CZARA and any target date for a decision on Oregon's program.
